## A pledge to our neighbors...

COVID-19 has created unique challenges for all of us. But in the face of adversity, people are coming together to support one another, and our community is showing amazing resilience.

The Lifetime team is grateful to all the individuals who have put themselves in harm's way to protect us and make our lives as normal as possible. These people include doctors, nurses, first responders, delivery drivers, restaurant workers and grocery employees. We appreciate your dedication and hard work!

As an installer of windows and siding, Lifetime has been designated as an essential business during this pandemic. In a recent address, Governor Jared Polis identified industries such as construction, news media, healthcare, financial services, food and manufacturing as vitally important to maintaining Colorado's economy. We remain open for business and have not laid off a single employee.

### As we struggle together with COVID-19 we pledge to do the following:

#### RESPECT YOUR HEALTH & SAFETY

Our team members will use hand sanitizer and disinfect their equipment before entering your home. We are also now offering online consultations.

#### DELIVER EXCEPTIONAL VALUE

We are offering our deepest discount ever: 40% off all windows, doors, siding and installation. We are also offering 24 months same as cash financing, which no bank can match. Offer expires on 5/31/20.

#### SUPPORT THE COMMUNITY

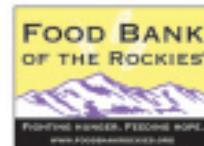

A portion of every sale will be donated to Food Bank of The Rockies to make sure our neighbors in need do not go hungry.

We remain honored and committed to supporting our customers and our community.

Together, we can overcome COVID-19.

With sincerity,  
*The Lifetime Family*

# WE ARE HERE TO HELP

To our valued customers,

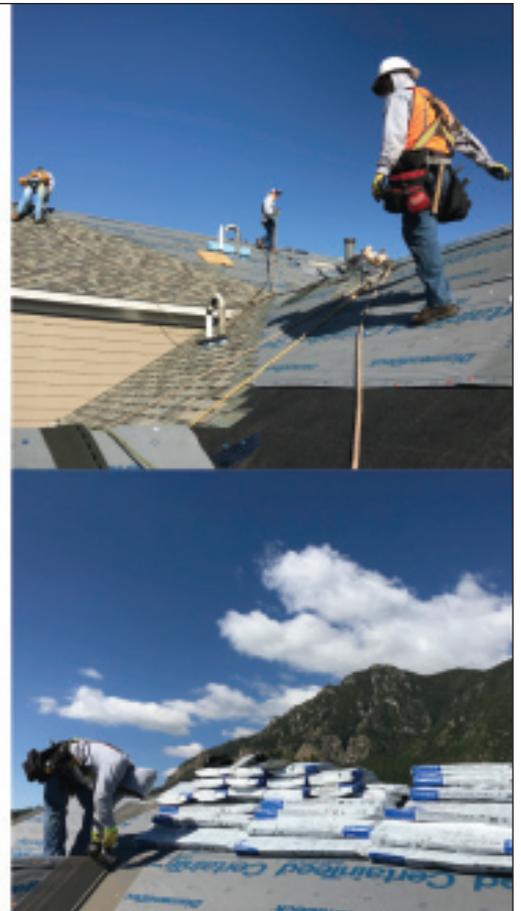

We have a responsibility to provide essential services during this time while protecting you, the community, and our employees. We do not take this responsibility lightly. These are just some of the measures the company has taken in this uncertain time.

- Employing a full-time safety coordinator to ensure that all recommended CDC guidelines are followed and our job sites are safe work environments.
- Deploying mobile hand washing stations, ensuring cloth masks are worn, observing social distancing, and routinely sanitizing all common surfaces.
- Moving our contract, estimating, and presentation processes online.
- Additional financing options available.
- Donating our stock of N95 PPE to local hospitals.
- For every roof replacement in 2020 we will donate \$250 in your name to a food bank of your choice and will make a matching contribution for a total of \$500.
- Extending our customer discounts to include 10%\* off services to medical personnel, first responders, teachers, military, and others who have been adversely affected by this crisis. \*Insurance restrictions may apply.

We'll get through this together,
